Dear Admiral:

Each year the Speakers Committee of the University of Virginia's University Union, a non-profit, student run organization, presents a program of five or six speakers for the University and Charlottesville communities. On behalf of the student body of the University of Virginia, I would like to invite you to participate in our 1980-81 Speakers Series.

We realize that your busy schedule makes it difficult to commit yourself this far in advance, but at the present time, almost every date from September to April is available to you. In addition, most of our guests have found Charlottesville close enough to Washington to allow for a same-day return to the Capitol, should pressing matters require your attention.

Thomas Jefferson founded the University of Virginia in 1819, "based on the illimitable freedom of the human mind to explore and expose every subject susceptible of its contemplation". To this end, our Committee has persistently sought to bring a diverse group of lecturers to the University to address the wide range of questions confronting Americans today. For example, recent speakers in our series include former President Gerald Ford, Senator S.I. Hayakawa, Senator Nancy Kassebaum, former Senator Sam Ervin, and former Representative Barbara Jordan, among many others.

Your role in the nation's intelligence network has engendered tremendous interest at the University of Virginia in your views and your career. We would be honored to provide an audience for you to address on a subject of your choosing, and will do everything we can to make your stay with us as comfortable as possible.

If you have any questions, please do not hesitate to contact me. I look forward to hearing from you at your earliest possible convenience.

Sincerely,

Tom Michael

Dear Messrs. Michael and Goldberg:

Admiral Turner has asked me to thank you for your letter of June 16th, and for your invitation for him to participate in the 1980-81 Speakers Series at the University of Virginia. Unfortunately, the Admiral has so many events already scheduled into the foreseeable future that it is impossible to take on any additional commitments.

He appreciates your thinking of him, however, and wishes you all the best for a successful school year.

Sincerely,

SIGNED
